

2011 West Elementary MCA Test Scores

By now you should have received the Individual Student Report (ISR) in the mail outlining your child's MCA test results. If you have any questions please contact your child's classroom teacher, Mrs. Rengstorf, or Mr. Bisel, district assessment coordinator. If you did not receive the results, please let Pam know at 278-3039.

The test scores below are for Maple River West and are compared to the state averages. The proficiency percentages listed refer to the percent of students in a class that made the target score set by the State of Minnesota. This was the first year that elementary students took the Math MCA (III) online. It was a factor, along with the new rigor of the test, which drove down state test scores during this initial year. We are proud of our test scores that for the most part, are above state averages!

	Reading	State	Math	State
Grade 3	86.3%	78.5%	88.6%	70.1%
Grade 4	76.9%	75.1%	76.9%	67.1%
Grade 5	83%	80.2%	41.5%	53.6%
Overall	81.8%	74.5%	67.7%	57.7%
