

Maple River High School

Supplies List 19-20

**** This list does not include ALL classes. Students will be instructed the first day of school as to what items are needed in class.

STUDENT PLANNERS will be given to each high school student on the first day of school. Therefore students are reminded they should carry these with them at all times.

Students and Parents are reminded cell phones are NOT to be used to talk or text during class periods or in the halls during class time. Telephone the High School Office @ 524-3918 ext. 231 to get messages to students.

Success in life, business, or school takes planning and organization.
Keeping coursework separated is a big help.

ALL MAPLE RIVER High School students will be issued a ChromeBook during teacher workshop week or the first couple days of school. You may purchase insurance for \$42, which covers accidents and the like. Be watching for more information on chromebook handout in the fall. Students must have a case for their Chromebook. If you do not have your case from last year, they are available for purchase from the school for \$28 and may be purchased on the day they pick up their Chromebook.
