

Welcome to

Maple River *Campus Portal*

MAPLE RIVER SCHOOL DISTRICT # 2135

PO Box 515
6th Ave. NE
Mapleton, MN 56065
507-524-3918

Dear Maple River School District Parents:

Parent involvement is very important to education. We are inviting you, as parents, to join the Maple River School District *Campus Portal* program to improve communications between school and home. By joining this program, you will have timely and secure access to school information about your child(ren) who attend the Maple River School District. Specifically, you will have online access to your Middle/High School child(ren)'s attendance records, grades and behavior. Attendance data and grades are available for Elementary students in 3rd – 5th grades as well. Lunch account information is available for all K-12 students.

Students' school records are confidential. Authorized school personnel, parents (whether custodial or not), legal guardians, students who have reached age 18, state and local education officials, and persons with court orders may inspect student records.

By implementing this *Campus Portal* program, we hope to provide you with access to timely information while reducing the time, labor, paper, and mailing costs associated with other means of communication. We expect this initiative will be a win-win opportunity for parents and the Maple River School District, and we hope you will enroll in the program to get faster access to information about your student(s) while helping us reduce our costs!

Please review the information provided about *Campus Portal*, including the User Guidelines and Acceptable Use Policy, and complete the Registration/ Agreement form. We will enroll you in the program and provide the access code to you. You will be able to set up your own unique username and password to access all this valuable information. It's as simple as that!

Sincerely,
DeAnn Stencel
Technology Coordinator
