

Maple River Schools Chromebook Insurance Agreement

The insurance cost will provide insurance coverage for accidental damage (drops/spills), cracked screens, theft, vandalism, fire, flood, natural disasters and power surges due to lightning. The payment is nonrefundable. This annual coverage begins upon receipt of the payment and ends at the conclusion of each school year. The insurance DOES NOT cover INTENTIONAL DAMAGE. Student/parents are responsible for full payment of intentional damages to devices.

Families who opt out of the insurance option will be held responsible for ALL damage to their devices including, but not limited to: broken screens, cracked casing or practice pieces, inoperability etc. Lost items such as devices and chargers will be charged actual replacement cost. Whether you opt in or out of insurance, NEVER attempt to gain access to the internal electronics or repair your device. If your device fails to work or is damaged, report the problem to the Media Center as soon as possible. Device repair/replacement options will be determined by the School Technology staff. Please see the Maple River District Chromebook Policy book for more info.
